

## CERTIFICATE OF CONSTANCY OF PERFORMANCE

**0766 – CPR – 317**

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

### High-pressure decorative laminates (HPL)

Kronoplan EDF and EDS  
Kronoplan Color EDF and EDS  
Kronoplan Color Baucompact EDF and EDS  
Kronocompact brown core layer  
Kronocompact black core layer

Nominal thickness range (4 to 20 mm)

produced by

**KRONOSPAN HPL Sp. z o. o.**  
**UL. Wojska Polskiego 3**  
**39-300 Mielec, POLSKA**

and produced in the manufacturing plant

**KRONOSPAN HPL Sp. z o. o., Pustków-Osiedle 59E, 39-206 Pustków, POLSKA**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and of the performances as described in Annex ZA of the standard

**EN 438-7:2005**

under system 1 for the performances as described on the certificate are applied and that the construction product fulfills all requirements and performances described therein.

This certificate was first issued on 18 Juli 2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless, the certificate was suspended or withdrawn by the product certification body.

## EC CERTIFICATE OF FACTORY PRODUCTION CONTROL

**1488-CPD-0209/Z**

In compliance the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products, amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

### FIBREBOARDS

**dry-process fibreboards type MDF.HLS according PN-EN 622-5:2010**

for use in humid conditions, load-bearing  
density  $\geq 700 \text{ kg/m}^3$ , thickness: 10-22 mm, formaldehyde class E1

**placed on the market by**

**Kronospan Mielec Sp. z o.o.**  
**ul. Wojska Polskiego 3**  
**39-300 Mielec**

**and produced in the factory**

**KRONOSPAN MIELEC Sp. z o.o.**  
**ul. Wojska Polskiego 3**  
**39-300 Mielec**

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - *Building Research Institute* - has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**PN-EN 13986:2006**

were applied.

This certificate was first issued on 27.12.2010 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

## EC-CERTIFICATE OF CONFORMITY

**1393-CPD-0748**

In compliance the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22nd July 1993, it has been stated that construction product

### **PARTICLEBOARDS WITH IMPROVED FIRE RESISTANCE Kronospan Fireboard - EN 312, type P2 E1, thickness range 10-28 mm**

placed on the market by

**Kronospan CRO  
Slavonska cesta 17  
430 00 Bjelovar  
Croatia**

and produced in the factory: Kronospan CRO, Slavonska cesta 17, 430 00 Bjelovar, Croatia

is submitted by the manufacturer to a production control and to the further testing of samples taken at the factory in accordance with prescribed test plan and that the approved body - Timber Research and Development Institute Praha - has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control (system 1).

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

**EN 13986:2004**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 7 December 2011 and remains valid as long as the conditions laid down in the harmonised technical specification in reference of the manufacturing conditions in the product itself are not modified significantly.
